

Class III Moral Science

Chapter 1 Remember God

Summary

God is Supreme of all. He has created everything for us. He made the sun, which gives us light and removes darkness. He created the moon and the stars. God made mountains, rivers and clouds. He created the seas for us. He helps and guides us. We must remember and thank God by saying a prayer. There is only one God. People call him by different names.

God is present everywhere and in everything. We must thank God for what he has given us. As we all are children of God, so we are all brothers and sisters. We should love one another.
