## MY PARENTS

(Lovely Parents)

### Words of Wisdom

God, the Father of all,  
gave me my parents.  
They do so much for me  
out of love.

I am Ravi. I am seven years old. This is my mummy. She wakes me up in the morning. She gets me ready everyday for school. She cooks food for us. She looks after the whole family.

Ruby is my younger sister. My mummy looks after her all the time.

At night, my mummy tells us stories from the holy books and the great epics of the world.

My mummy is very sweet and loving. I love her very much.

This is my daddy. He is a doctor. He works in a hospital. He is the head of our family. He earns money for us. He buys clothes, books, toys, and a lot of other things for us. On Sundays, he remains at home. My daddy is very kind to all of us. He never loses his temper. He helps me with my homework.

I love my parents very much. I obey them. I ask for their forgiveness when I am wrong. I am proud of my parents.

My mummy tells me, "Get up early in the morning. Take a bath everyday and go to school on time. Love your neighbours. Respect your teachers and elders. Never quarrel with your classmates."

My daddy tells me, "Always help others. Be polite to one and all. Do your homework regularly. Hard work is the only key to success."
