

4. DRAWING

Learn to draw and colour the things which God made.

5. WRITE AND LEARN - WORDS OF WISDOM

O God ! we thank you for bright and for this pleasant morning light. For trees and pets who love and care and all that makes the world so fair. God has given us lips to speak the glory of God.

Note:- If you have new copy (single line) kindly use it for Moral Science. **Do not use four line copy for Moral Science.** Incase if you donot have new copies write it in old copies or once the copies are available for you start writing after that. Till then read and learn all the given topics.

Do remember to do your prayers everyday for all the nation, all the sick, needy and your parents.
